About the Doorknock

The Red Shield Appeal Doorknock is one of Australia's biggest and most-loved charity events. Every year, thousands of Australians roll up their sleeves, put on their walking shoes and take to the streets to raise money for The Salvation Army.

Australia is known as the lucky country, but unfortunately that's not the case for everyone. Plenty of Australians every year find themselves in tough situations and turn to the Salvos for support.

The process of getting involved!

The residents of the Bateau Bay Group home signed up to be part of helping to open doors for Australians in need.

The 2010 Doorknock is on **29-30 May**, and the salvos called for 100,000 volunteer collectors to help make the Doorknock a success. It only took a few hours and was lots of fun.

In the spirit of the principles of community development, we were able to reflect on the process and as a result we identified:

**-Challenges, that we overcame
And
-Benefits, we faced**

COMMUNITY PARTNERSHIPS:

- Increased opportunities for natural supports to develop
