Danny really looks forward to art, as well as going out Mondays and Thursdays. He goes to the movies, or somewhere for lunch, or event to an art exhibition.

Samaritans offers quality **Recreational and Social Activities** with excellent staff who support you to achieve your dreams.

We know that you need flexible support to give you real choice and control which is why our local organisation offers *support as individual as you are.*

Anything is possible when you partner with Samaritans and enjoy Recreational and Social Activities.

About Recreational and Social Activities

If you like group activities we can connect you with one of our quality programs in your local community. Perhaps this is learning art or to play an instrument, or you might want to connect with your local sailing club or sports team.

We'd love to take you to the leisure activity you enjoy so you can build friendships and participate in the wider community.

At Samaritans we understand that you want to connect to those around you and initiate relationships beyond just a group community activity.
