The Clinical support unit have been able to achieve such an incredible change in my son's behaviours. He is now able to attend his day program again & is starting to make friends and for the first time in his life not hit out at people.

-Father of 22 yo with intellectual disability

Samaritans offers quality **Specialist Clinical Support** with excellent staff who support you to achieve your dreams.

We know that you need flexible support to give you real choice and control which is why our local organisation offers *support as individual as you are.*

Anything is possible when you partner with Samaritans for Specialist Clinical Support.

About Specialist Clinical Support

At Samaritans, we know everyone's needs are different.

Our Clinical Services Unit can work with you, your family and friends to equip you with a range of supports specific to your needs. We can undertake specialised assessments in regards to communication, living skills and behaviour and work alongside you to achieve positive change where necessary.

Through the Clinical Services Unit, you can also access a range of specific opportunities to build your knowledge and skills and enjoy everything the community has to offer. Ask us how we can support you.
