Who Do We Help?
The Great Lakes Manning Homeless Support Service can help women, men and children who are facing homelessness or are at risk of homelessness because of complex issues with their housing situation.

Samaritans is one of the largest regional welfare organisations in Australia but is truly local to your region. As the welfare arm of the Anglican Church, we deliver over 100 programs and community services to thousands of individuals and families each year.

Samaritans would like to acknowledge the traditional custodians of this land and pay our respects to the Elders past, present and future for they hold the memories, the traditions, the culture and hopes of Aboriginal Australia.
